

Subject: Request to be considered as a Partner to the Global Alliance to Eliminate Lead Paint

Date: August 23, 2016

To Whom it May Concern:

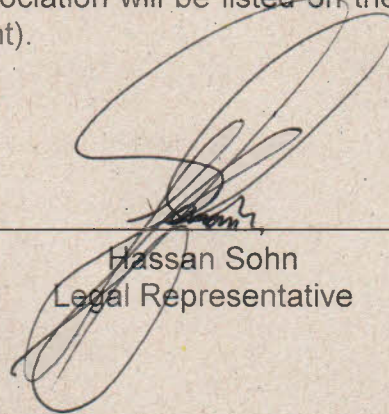

APROMAC - Environment Protection Association (Brazil) endorses the goal and objectives of the Global Alliance to Eliminate Lead Paint and wishes to be considered a Partner in the work of the Lead Paint Alliance.

We would like to support the work of the Alliance as described below:

- Initiate activities to raise awareness of the health and environment impacts of exposure to lead in paints;
- Provide advice on establishing national regulation and enforcement to control the use of lead in paints as from our own experience in Brazil;
- Provide advice for NGOs interested in working on lead in paints;
- Provide expertise and advice to paint companies interested in producing paint without lead additives;
- Provide other expertise or activities that can help reduce exposure to lead in paints, including workers' exposure at paint plants.

APROMAC understands that this letter is not legally binding, and that a copy of this letter requesting to become an Alliance partner and the name of APROMAC Environment Protection Association will be listed on the Lead Paint Alliance website (www.unep.org/noleadinpaint).

Yours sincerely
