Millennium Development Goals
Assessing the MDGs

Post 2015
Implementing the outcomes

Sustainable Development Goals
An extension of the MDGs?

Post-2015
New development agenda

WELCOME

Action 2016 is a global campaign aiming to influence the creation of a development framework that succeeds the current UN Millennium Development Goals. Action 2016 brings together civil society organisations from countries around the world to develop a series of quantifiable goals that address the broad challenges of poverty eradication, environmental protection and sustainable consumption and production.

- Millennium Development Goals: Joining the MDGs
- Post-2015: Implementing the outcomes
- Sustainable Development Goals: An evolution of the MDGs
- Post-2015: A development agenda

WELCOME

Action 2015 is a global campaign aiming to influence the creation of a development framework that succeeds the current UN Millennium Development Goals. Action 2015 brings together civil society organisations from countries around the world to develop a series of quantifiable goals that address the broad challenges of poverty eradication, environmental protection and sustainable consumption and production.

FEATURED VIDEO

Millennium Development Goals for 2015

In the year 2000, 189 world leaders met at the historic Millennium Summit in New York to establish 8 international development goals.

LATEST TWEETS

- RT @GORD_UK: Have your say on human development, jobs and livelihoods for next meeting of the #ipax2015 High Level Panel. #ipax2015HLP <http://t.co/KWVW6tds>
- RT @Junaid: @Samadn is an opportunity to contribute to a #ipax2015 framework on disaster risk reduction. <http://t.co/46Q80e8c>
- Contribute to a High-Level Panel consultation by 28 Oct on #ipax2015 #ipax2015HLP jobs & livelihoods, household poverty. <http://t.co/WIR1Q1g/>

USEFUL RESOURCES

Beyond 2015 will come the attention that is being given to the need for a global overarching cross-thematic development framework by the international community, and hopes that the thinking around Sustainable Development Goals (SDGs) will be a constructive contribution to

PUBLICATIONS

Outreach at Rio+20 - A collection of Post Rio+20 reflections and, most importantly, the next steps that civil society and governments alike need to focus on. Read the full edition [here](#).

ACTION 2015 BLOG

WHEELS IN MOTION FOR ESTABLISHING POST-2015 DEVELOPMENT FRAMEWORK

By Marion Sany
A key question and point of concern is how the SDGs and the Post-2015 development agenda will work together. These are clearly two different processes - the post-2015 development agenda is being taken forward by

- Act as a focal point/multi-stakeholder e-platform for post-Rio/post-2015 developments:
 1. MDGs
 2. Post-2015
 3. Post-Rio
 4. SDGs
- Share information and ideas
- Have online discussions
- Post documents, papers and blogs
- *Post2Post* e-zine

The Challenges

- Coherence and Convergence
 - Integration of two tracks
 - Post-Rio/SDGs and Post-2015/MDGs
- Breakthrough barriers:
 1. Institutional
 2. Ideological
 3. Intellectual
- Ever greater inclusivity

Thank You!
