

Suggested Voluntary Commitment for Civil Society on Lead Paint

*This sample text is provided by the Global Alliance to Eliminate Lead Paint (www.unep.org/noleadpaint).
Make your pledge at <http://www.unep.org/environmentassembly/beat-pollution>.*

Voluntary commitments towards a pollution-free planet

All submissions will be analyzed by UN Environment to be part of the document “Voluntary commitments to contribute to a pollution free planet”. This will be one of the four key outcomes of the [UN Environment Assembly 2017](#) taking place in Nairobi from 4 to 6 December 2017.

1. What type of organisation do you represent?

Civil society

About you

2. What is your name?

[ENTER NAME]

3. What is your email?

[ENTER EMAIL]

4. What is your professional role/title?

[ENTER ROLE/TITLE]

About your civil society entity

5. Name

[ENTER NAME OF ENTITY]

6. Type of organisation

[SELECT TYPE OF ORGANIZATION FROM LIST]

7. Geographical scope

[SELECT SCOPE AND ENTER LOCATION]

About the commitment

8. Title of commitment

SUGGESTED TITLE: Supporting Global Efforts to Eliminate Lead Paint

9. Describe the commitment

SUGGESTED TEXT: To eliminate lead paints and the risks posed by such paints, especially to vulnerable populations such as children and pregnant women, we commit to support the global goal of eliminating lead paint by 2020. We will participate in the efforts to develop lead paint laws or regulations and will collaborate with key stakeholders such as government, industry and the health sector to make this happen.

10. When will the commitment begin to be implemented?

Start month

SUGGESTED MONTH: December

Start year

SUGGESTED YEAR: 2017

11. What is the projected end date?**End month**

SUGGESTED MONTH: December

End year

SUGGESTED YEAR 2020

12. Is the commitment going to be monitored?

[SELECT WHETHER COMMITMENT WILL BE MONITORED]

13. How will the commitment be monitored?

[IF YES, EXPLAIN HOW COMMITMENT WILL BE MONITORED]

14. What type of resources are required to deliver on the commitment?

[ENTER RESOURCES AS APPROPRIATE]

15. What resources have already been mobilized to deliver on the commitment?

SUGGESTED TEXT: Materials provided by the Global Alliance to Eliminate Lead Paint, such as the "Model Law and Guidance for Regulating Lead Paint" will support our advocacy efforts. The Model Law provides information about how countries can establish effective laws and regulations to restrict the manufacture, import and sale of lead paint.

More details on the commitment

16. What pollution areas does the commitment address?

SUGGESTED SELECTION: Chemicals and waste

17. Does the commitment relate to the following longer-term transformative actions or enabling conditions?

SUGGESTED SELECTIONS: Integrating policies to tackle pollution;
Improving pollution-related governance and policies

18. Which Sustainable Development Goals does the commitment contribute to?

SUGGESTED SELECTION: Good Health and Well-Being (3)

19. Does the commitment contribute to other multilateral frameworks and environmental agreements? Which ones?

SUGGESTED TEXT: The 2nd International Conference on Chemicals Management (ICCM) Resolution II/4/B focused attention on "lead in paint" and endorsed establishment of a global partnership, now called the Global Alliance to Eliminate Lead Paint. Global elimination of lead in paint was re-affirmed as a priority at the Fourth Session of the ICCM.
