THE GLOBAL ALLIANCE TO ELIMINATE LEAD IN PAINT**

---

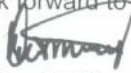

The National Environment Management Authority (NEMA) endorses the goals and objectives of the Global Alliance to Eliminate Lead Paint and wishes to be considered a contributor to the work of the Global Alliance.

The contribution we would like to make to the work of the Global Alliance is described below;

- (i) Provide technical expertise to the development and implementation of activities which will foster the achievement of the goals and objectives of the Global Alliance on elimination of lead paint;
- (ii) The Authority will also participate in networking, sharing information and participating with other contributors in the Global Alliance among other activities;

I understand that this letter of intent is not legally binding and that a copy of this letter of commitment of the National Environment Management Authority (NEMA) will be publicly listed on the Global Alliance website.

I look forward to our collaboration.
