Malaysian Paint Manufacturers' Association (MPMA) endorses the goal and objectives of the Global Alliance to Eliminate Lead Paint and wishes to be considered a Partner in the work of the Lead Paint Alliance.

We would like to support the work of the Alliance as described below:

- Initiate activities to raise awareness of the health impacts of exposure to lead in paint in Malaysia;
- Serve as industry advisor to paint companies interested in producing paint without lead additives;
- Provide other expertise or activities that can help reduce exposure to lead in paint

We understand that this letter of intent is not legally binding, and that a copy of this letter requesting to become an Alliance partner and the name of Malaysian Paint Manufacturers' Association will be listed on the Lead Paint Alliance web site (www.unep.org/noleadinpaint).

Thank you.

Your Faithfully,
