

THE LAW DIVISION

Good Governance for a Sustainable Future

Good Governance for a Sustainable Future

We provide governments with guidance, expertise and tools on environmental laws, policy and regulations, to enable them to meet their environmental commitments to people and planet

Our Objectives

1. To Enhance Policy Coherence on Environmental Sustainability across Member States
2. To Enhance Synergies across Multilateral Environmental Agreements
3. To Strengthen Environmental Laws and the Institutions Responsible for Upholding them

Environmental Priorities in Development Planning

Our Services

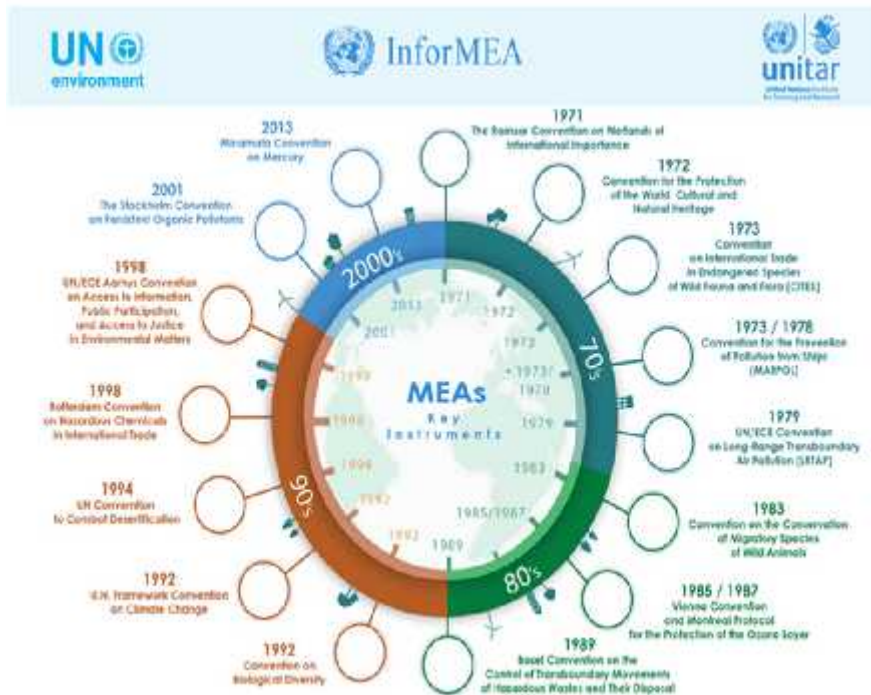

#environmentalrights

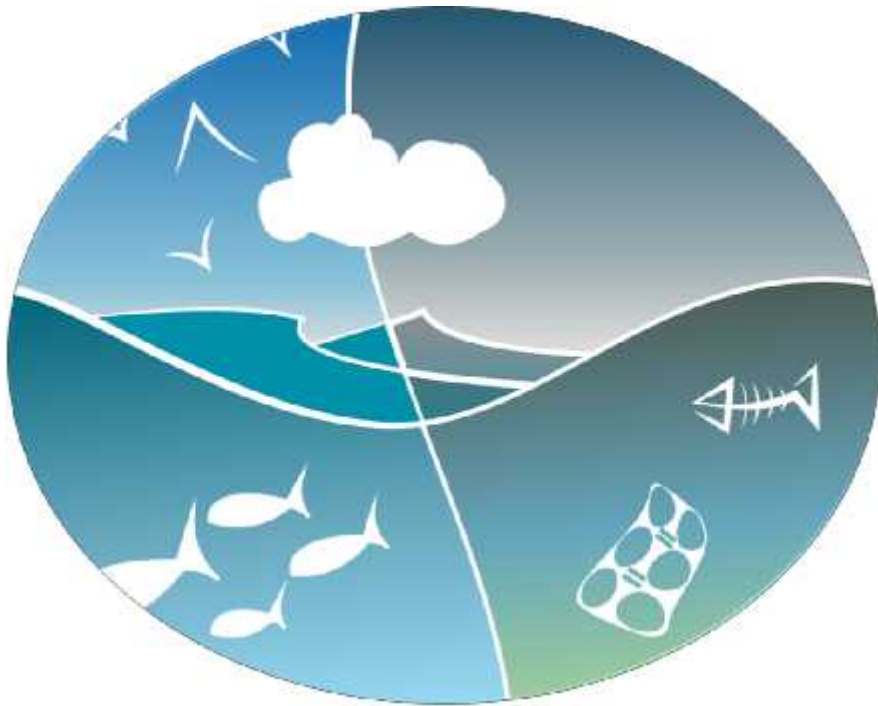

We support the strengthening of environmental laws and institutions in countries

Our Services

We provide legal and technical support to countries to strengthen national capacities for the implementation of **Multilateral Environmental Agreements**

Our Services

We help countries to meet the global goals by keeping their environmental commitments and integrating environmental priorities in their development plans

Thank you
