# Crate Washing

# SKC Surat RECEPTION STORAGE AND STOCKAGE FLOW and Traceability

Local farmers unloading their produce at SKC that is different farmers grow their vegetables and then sell it to SKC

Pineapples are well arranged in crates and placed on a pallet

PINEAPPLES ARE  
RECEPTIONED AT  
30-40 %  
COLORATION

# Local Reception

The pallet used must be weighed first

The tar of the pallet has to be extracted from the total weight of the product

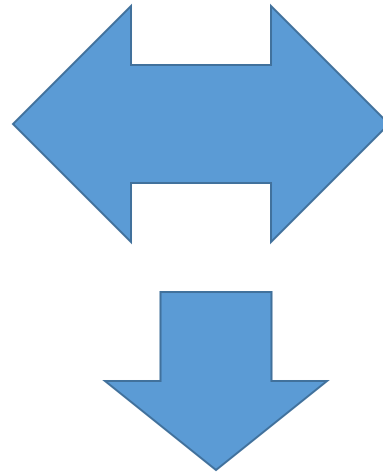

After recording a positive sample check the Pineapples will be weighed in bulk

Meanwhile, receiving officer will record the weight

AFTER RECORDING THE WEIGHT AN OFFICER WILL SCAN THE BARCODES ON THE CRATE WHICH WILL BE TRANSFERRED FOR STORAGE

LABELING PROCESS AND  
STORED IN THE WARE HOUSE

**MORE GOOD - Pineapples**

Mr Gokool from Ecoignard is amongst the first to receive MAURIGAP certification - MGN-CP-2017-0023. Certification requires regular audits of good agricultural practices and controlled use of chemicals. Pineapples from Mr Gokool's farm are now available in our stores in Bagatelle and La Croisette.... See More
