PROGRAMME OF ACTIVITIES FOR 1992

- a) Visit of Mr B. Oregoni (Specialist for heavy metals) and Mr J.P. Villeneuve (Specialist for organic pollutants) to participating Egyptian Institutions will be arranged for March 1992. The aim of the visit will be to ensure that all conditions are met for sampling and measurements of samples. During their visit a regular sampling as part of the monitoring programme should be arranged.

- b) Visit of Dr L.J. Saliba (WHO), member of the Mediterranean Co-ordinating Unit and responsible for the monitoring of microbial pollution will visit Egypt in April 1992 and in discussion with relevant officials and scientists will prepare programme of necessary actions of full implementation of the monitoring of microbial pollution.

- c) All Egyptian Laboratories which participate in National Monitoring Programme will take part as of March 1992 in all relevant intercalibration exercises organized by Marine Environment Laboratory, International Atomic Energy Agency, Monaco.

- d) Programme of necessary training should be prepared by end of March 1992. Requests have to be sent to the Mediterranean Co-ordinating Unit by 15 March 1992.

- e) Regular sampling in summer 1992 should be performed in full accordance with the existing monitoring programme.

- f) Submission of monitoring data by end of April 1992 (for samples collected by the end of March 1992), end of September 1992 (for samples collected by the end of July 1992) and by the end of December 1992 (for samples taken by the end of November 1992).
