Committee of Government Experts
on the Rules of Procedure

Athens, 29-30 November 1982

REPORT OF THE COMMITTEE OF GOVERNMENT EXPERTS
ON THE RULES OF PROCEDURE
Introduction

1. The rules of procedure for meetings and conferences of the Contracting Parties to the Convention for the Protection of the Mediterranean Sea against Pollution and its related Protocols were adopted at the First Ordinary Meeting of the Contracting Parties in February 1979. They were then amended at the Second Ordinary Meeting of the Contracting Parties in March 1981.

2. At their Second Ordinary Meeting the Contracting Parties also adopted an interim procedure for the replacement of the President of the Bureau in cases where he becomes unable at any time to assume his duties. That procedure was to be applicable until the next (Third) Ordinary Meeting of the Contracting Parties.

3. The Contracting Parties also agreed "to entrust any further amendment of the rules of procedure... to a committee of governmental experts, which shall be open to all the Contracting Parties and convened by the secretariat" (UNEP/IG.23/11, para. 72(3)).

4. In accordance with that agreement, a committee of government experts on the rules of procedure was convened at the seat of the Co-ordinating Unit for the Mediterranean Action Plan in Athens from 29 to 30 November 1982.

Attendance

5. Experts from nine Contracting Parties participated in the meeting. A complete list of participants is attached as annex I to this report.

Opening of the meeting

6. The meeting was opened by Mr. A. Manos, Co-ordinator, Mediterranean Action Plan. Mr. Manos recalled that the committee of government experts had been convened on the specific instructions of the second Ordinary Meeting of the Contracting Parties in order to review the rules of procedure for meetings and conferences of the Contracting Parties. He remarked that the committee was opened to all Parties, and he expressed the view that it was possible to assume that those who were not attending would not be reopening discussions on points on which the committee had reached consensus.

7. The Co-ordinator expressed the hope that the committee would be able to reach agreement on an amended set of rules of procedure so that the Contracting Parties would be able to approve the proposed amendments in the limited time available to them at their next meeting. He stressed the importance of the rules of procedure to the effective functioning of the programme, noting, in particular, that many disputes could be avoided through the application of the rules of procedure if those rules are clear and comprehensive.

8. Mr. Manos declared the meeting opened and wished the experts success in their work.
Organization of the work

9. In accordance with paragraph 3 of rule 49 of the rules of procedure, and taking into account the restricted number of Government experts participating in the meeting, it was agreed that the Co-ordinator of the Mediterranean Action Plan would chair the meeting.

Review of the rules of procedure

10. The committee reviewed the rules of procedure on a rule-by-rule basis, taking into account the amendments proposed by the secretariat and the United Nations Office of Legal Affairs as set forth in document UNEP/WG.82/1.

11. The text of the rules of procedure as amended by the committee of experts is contained in annex II to this report. The amended rules of procedure are hereby submitted to the Third Ordinary Meeting of the Contracting Parties for consideration with a view to their adoption.

12. The Committee was of the opinion that the majority of amendments were of a drafting nature and did not alter the substance of the rules. Such amendments were introduced to rules 10, 13, 16, 19, 21 and 36.

13. However, the Committee did think it advisable to draw the attention of the Third Ordinary Meeting of the Contracting Parties to the following substantive changes made to rules 20 and 40:

   a) With regard to paragraph 1 of rule 20, the Committee discussed thoroughly the possibility of enlarging the Bureau by increasing the number of Vice-Presidents to be elected. The secretariat explained to the Committee that an expansion of the Bureau would have financial implications for the budget of the Mediterranean Action Plan, as the costs of the meetings of the Bureau (including the travel and per diem of the members) were covered by the programme's budget. Since the majority of experts thought it advisable not to increase the size of the Bureau, the number of Vice-Presidents to be elected was maintained at two. However, some experts were of the view that it would be beneficial to enlarge the Bureau so as to ensure a wider representation of States, and taking into account the experience in other regional seas areas, suggested that four Vice-Presidents be elected. The Committee wished to draw the attention of the Contracting Parties to this issue.

   b) Furthermore, with regard to paragraph 1 of rule 20, the text has been amended so that the Vice-Presidents are elected with the title of first or second Vice-President. This is to ensure conformity with paragraph 4 of rule 20.

   c) Two new paragraphs (paragraphs 4 and 5) have been added to rule 20 to provide for the replacement of members of the Bureau who are unable to exercise their functions; and

   d) In rule 40, the majority required to permit the reconsideration of a proposal after it has been adopted or rejected has been increased to a two-thirds majority of the Contracting Parties present and voting.
14. In addition, the previous rule 21 was deleted as it was agreed that the situation envisaged in that rule was already covered by rule 20.

Adoption of the report

15. The meeting adopted its report on 30 November 1982.

Closure of the meeting

16. The meeting was closed by the Co-ordinator of the Mediterranean Action Plan on 30 November 1982.

**Languages Rule 26**

Arabic, English, French and Spanish are the official languages of the meetings or conferences of the Contracting Parties.
Rule 27

1. Statements made in a language of the meeting or conference shall be interpreted into the three other official languages.

2. A representative may speak in a language other than a language of the meeting or conference, if he provides for interpretation into one such language.

Rule 28

All working documents of the meeting or conference and all reports, resolutions, recommendations and decisions of the meetings or conferences shall be drawn up in one of the official languages and translated into the three other official languages.

Conduct of business Rule 29

Two-thirds of the Contracting Parties shall constitute a quorum.

Rule 30

In addition to exercising the powers conferred upon him elsewhere by these rules, the President shall declare the opening and the closing of the meeting or of the conference. He shall direct the discussions, ensure the observance of these rules, accord the right to speak, put questions to the vote and announce decisions resulting from the votes.

Points of order Rule 31

Subject to the provisions of rule 46, a representative may at any time raise a point of order which shall be decided immediately by the President in accordance with these rules. A representative may appeal against the ruling of the President. The appeal shall be put to the vote immediately and the ruling shall stand unless overruled by a majority of the Contracting Parties present and voting. A representative may not, in raising a point of order, speak on the substance of the matter under discussion.

Rule 32

Proposals and amendments shall normally be introduced in writing by the Contracting Parties and handed to the secretariat, which shall circulate copies to delegations. As a general rule, no proposal shall be discussed or put to the vote at any sitting unless copies of it have been circulated to delegations not later than the day preceding the sitting. The President may, however, permit the discussion and consideration of amendments or of procedural motions even though these amendments and motions have not been circulated or have been circulated only the same day.

Rule 33

Subject to the provisions of rule 31, the following motions shall have precedence, in the order indicated below, over all other proposals or motions before the meeting:

1. To suspend a sitting;

2. To adjourn a sitting;
3. To adjourn the debate on the question under discussion; and

4. For the closure of the debate on the question under discussion.

Permission to speak on a motion falling within 1 to 4 above shall be granted only to the proposer and in addition, to one speaker in favour of and two against the motion, after which it shall be put immediately to the vote.

Rule 34

If two or more proposals relate to the same question, the meeting or conference, unless it decides otherwise, shall vote on the proposals in the order in which they have been submitted.

Rule 35

Any representative may request that parts of a proposal or of an amendment be voted on separately. If objection is made to the request for division, the President shall permit two representatives to speak, one in favour of and the other against the motion, after which it shall be put immediately to the vote.

Rule 36

If the motion referred to in rule 35 is adopted, those parts of a proposal or of an amendment which have been approved shall then be put to the vote as a whole; if all the operative parts of a proposal or amendment have been rejected the proposal or amendment shall be considered to be rejected as a whole.

Rule 37

A motion is considered to be an amendment to a proposal if it merely adds to, deletes from, or revises parts of, that proposal. An amendment shall be voted on before the proposal to which it relates is put to the vote, and if the amendment is adopted, the amended proposal shall then be voted on.

Rule 38

If two or more amendments are moved to a proposal, the meeting or conference shall first vote on the amendment furthest removed in substance from the original proposal, then on the amendment next furthest removed therefrom, and so on, until all amendments have been put to the vote. The President shall determine the order of voting on the amendments under this rule.

Rule 39

A proposal or motion may be withdrawn by its proposer at any time before voting on it has begun, provided that the motion has not been amended. A proposal or motion withdrawn may be reintroduced by any other Contracting Party.

Rule 40

When a proposal has been adopted or rejected, it may not be reconsidered at the same session, unless the meeting or the conference, by a two-thirds majority of the Contracting Parties present and voting, decides in favour of reconsideration. Permission to speak on a motion to reconsider shall be accorded only to the mover and one other supporter, after which it shall be put immediately to the vote.
Voting Rule 41

1. Subject to the provisions of article 19 of the Convention, each Contracting Party shall have one vote.

2.A. A Contracting Party that is more than twenty-four months in arrears with its contribution shall not be entitled to vote. However, the meeting may authorize this Contracting Party to participate in the vote if it finds out that arrears are due to circumstances beyond its control.

2.B. Without prejudice to the provisions of paragraph A above, article 19 of the Convention shall apply with regard to the European Economic Community and its member States.

Rule 42

1. Unless otherwise provided by the Convention, the protocols or the financial forms of reference, substantive decisions, recommendations and resolutions shall be made by a two-thirds majority of the Contracting Parties present and voting.

2. For the purpose of these rules, the phrase "Contracting Parties present and voting" means Contracting Parties present at the sitting at which voting takes place and casting an affirmative or negative vote or abstaining from voting.

Rule 43

1. Procedural decisions are taken by a simple majority.

2. Any difference of opinion as to the question whether the matter is of a procedural or substantive nature is also decided by a simple majority.

3. If a vote is equally divided, a second vote shall be taken. If this vote also is equally divided, the proposal shall be regarded as rejected.

Rule 44

Voting shall normally be by show of hands. However, any Contracting Party may request a roll-call vote which shall be taken in the alphabetical order of the names of the Contracting Parties in French, beginning with the Contracting Party whose name is drawn by lot by the President. Any Contracting Party may also request a secret ballot.

Rule 45

The vote of each Contracting Party participating in a roll-call vote shall be recorded in the relevant documents of the meeting or of the conference.

Rule 46

After the President has announced the beginning of voting, no representative shall interrupt the voting except on a point of order in connection with the actual conduct of the voting. The President may permit the Contracting Parties to explain their votes, either before or after the voting. The President may limit the time to be allowed for such explanations. The President shall not permit the proposer of a proposal or of an amendment to explain his vote on his own proposal or amendment.
Sound records of the meeting   Rule 47

Sound records of the meeting or of the conference, and possibly of its committees and working groups, shall be kept by the secretariat in accordance with the practice of the United Nations.

Ad hoc meetings   Rule 48

1. The Contracting Parties may recommend, taking duly into account financial implications, to the Executive Director the convening of ad hoc meetings, either of representatives of the Contracting Parties and of States referred to in rule 5 of these rules, or of Governmental experts, in order to study problems which, because of their specialized nature, could not fruitfully be discussed during the normal sittings.

2. The terms of reference of these ad hoc meetings and the questions to be discussed shall be determined by the Contracting Parties.

3. Unless otherwise decided, each ad hoc meeting shall elect its own officers.

4. These rules of procedure shall apply mutatis mutandis to the subsidiary bodies and ad hoc meetings.

Amendments of procedure   Rule 49

These rules of procedure may be amended by a decision of the meeting or conference taken by a two-thirds majority of the Contracting Parties present and voting.

Overriding authority of the Convention   Rule 50

In the event of any conflict between any provision of these rules and any provision of the Convention, the Convention shall prevail.
