Subject: Barcelona Convention and its Protocols: Invitation to an informal Session with the Compliance Committee on submission of Biennial Reports

Dear MAP Focal Point,

We wish to inform you that issues of compliance were discussed at the 79th Meeting of the Bureau of the Barcelona Convention (Antalya, Turkey, 3-4 February 2015), attended by the Chairperson of the Compliance Committee as observer. On that occasion, it was noted with concern that the Recommendation of the Compliance Committee on non-compliance issues regarding submission of Reports, contained in Decision IG. 21/1 (in particular, paragraphs 35 and 36 of Doc. UNEP DEPI/MED IG.21/6 attached herewith) of the 18th Meeting of the Contracting Parties to the Barcelona Convention and its Protocols, have not been implemented yet. In particular, some Contracting Parties, including the one that you represent, have not satisfied their report obligation repeatedly and the related request to submit an explanatory note, as well as to make a referral to the Compliance Committee under paragraph 18 (a) of Decision IG. 17/2.

Attaining particular importance to upcoming 40th Anniversary of Barcelona Convention and following the Bureau’s recommendations, we are jointly writing to remind you of the necessity to implement the above mentioned Decision IG. 21/1; in particular, to submit Reports on the implementation of the Barcelona Convention and its Protocols in a timely fashion. We also invite you, or your Representative, to participate in an informal session to be held during the 10th Meeting of the Compliance Committee in the morning of 21 May 2015, at the premises of the Coordinating Unit in Athens, Greece. Please note that the 10th Meeting of the Compliance Committee will meet in parallel with the Meeting of Focal Points scheduled for 19-21 May 2015.

This informal session is meant to allow Members of the Compliance Committee to understand the reasons of the delay in the submission of your Reports and to agree about the initiatives to be undertaken to ensure the full and timely implementation of the said Decision for facing the Reporting obligations of the Barcelona Convention and its Protocols, as well as to provide the advice and support that you may require to fulfill those obligations.

.../...
We count on your presence at this informal session in order to find, in a constructive spirit, appropriate ways and means that will allow all Parties to fully satisfy the reporting obligation of the Barcelona Convention and its Protocols in the future. Please confirm your attendance by responding to Mr. Didier Guiffault, UNEP/MAP Barcelona Convention at the following email address: didier.guiffault@unepmap.gr

Yours sincerely,

Atty. Daniela Addis
