Annex Draft rules of procedure for the Compliance committee under the Barcelona Convention and its related Protocols
1. Review of the considerations by the 67th Meeting of the Bureau of the Contracting Parties on the proposed draft Rules of procedure for the meetings of the Compliance Committee

1.1 General considerations

Following the recommendation of the first meeting of the Compliance Committee, held in Athens, the Bureau of the Contracting Parties, held in Madrid (Spain) on 18-19 September 2008, addressed in depth some of the issues raised by the Committee with regard to the draft Rules of procedure for the Compliance committee.

With regards to the attendance of observers at Committee meetings, it was explained that the compliance procedures and mechanisms adopted by Decision IG 17/2 of the 15th Meeting of the Contracting Parties provide for participation by persons other than the members and alternate members. The Bureau confirmed that such participants should have the status of observer, including the cases where they represent members or alternate members of the Compliance committee. It was also agreed that the Committee should develop specific criteria for attendance by observers and in particular by a concerned Party at the normally closed meetings at which the findings and recommendations concerning non-compliance in respect of that Party were discussed.

The Bureau also considered that, for reasons of continuity, the specific competence of designated members and alternates and the credibility of the Committee, members and alternate members should be replaced only in exceptional circumstances, such as in the event of resignation or incapacity. It agreed that the nominated replacement of such a member or alternate member should be subject to endorsement by the Bureau, in order to avoid a hiatus in membership pending endorsement by the Contracting Parties.

Noting that the Compliance Committee had proposed to add Arabic as its third working language, and following explanations by the Secretariat, the Bureau decided that a precedent should not be set, nor costs added, by providing for three working languages in a technical body such as the Committee, unless otherwise decided by the 16th Meeting of the Contracting Parties.

1.2 Bureau recommendations

With the view to ensuring full effectiveness of the work of the Compliance Committee and in conformity with decision IG.17/2 of the 15th Meeting of the Contracting Parties, and after reviewing the conclusions of the first meeting of the Compliance Committee, the Bureau recommends the following:

1. In order to ensure a quorum at meetings of the Compliance Committee, all alternate members, as well as members, shall be invited to attend such meetings and when constituting a quorum the members and alternate members should be considered on the basis of each respective group as a whole.

2. Only the individuals elected by the Meeting of the Contracting Parties as members and alternate members of the Compliance Committee shall attend its meetings in such a capacity.

3. In accordance with paragraph 13 of the compliance procedures and mechanisms contained in the Annex to Decision IG.17/2 of the 15th Meeting of the Contracting Parties, any other participant in the meetings of the Compliance Committee shall have the status of observer.
4. Although the session at which the findings, recommendations and measures of the Compliance Committee with respect to a non-compliance situation of a concerned Party is normally closed, the Committee should develop criteria on the basis of which a concerned Party may be invited to attend that session.

5. If a member or alternate member of the Compliance Committee resigns or is otherwise unable to complete his or her term of office, the Party which nominated that member or alternate member shall nominate a replacement to serve for the remainder of that member's or alternate member's mandate, subject to endorsement by the Bureau of the Contracting Parties.

6. Any amendments to the rules of procedure of the Compliance Committee adopted by consensus by the Committee shall be submitted for consideration and adoption by the Bureau, subject to endorsement/validation by the Meeting of the Contracting Parties.

2. **Recommendations by the Secretariat**

   1. *The Compliance committee is invited to review the suggestions and recommendations of the Bureau and may decide to amend on this basis, as appropriate, the draft Rules of procedure presented as annex to this document.*

   2. *The Compliance committee is also invited to consider if new rules could be added to the current draft of Rules of procedure for the Compliance committee in view of the need to set a time frame for submissions of non-compliance cases and Referrals by the Secretariat to the Committee.*
