Annex II, Page 237:
Third paragraph should read:

At the Extended Bureau meeting held in Athens, Greece, 3-5 October 2011, the members requested the Secretariat to extend the Functional Review to the whole MAP system **including any staff position not yet assessed**, whilst acknowledging that the Regional Activity Centres (RACs) are different and should therefore be consulted in appropriate manner. Moreover, following on from conclusions from Bureau meetings it has been agreed during the UNEP/MAP's focal point meeting that management-by-performance assessment shall be conducted which will enhance functional analysis by insuring evaluation based on performances and outputs of each component. The Bureau requests that provision should be made to ensure that the review is implemented during the first year of the next biennium.
