MEDITERRANEAN ACTION PLAN

18th Ordinary Meeting of the Contracting Parties to the Convention for the Protection of the Marine Environment and the Coastal Region of the Mediterranean and its Protocols

Istanbul, Turkey, 3-6 December 2013

Corrigendum

Draft Decisions for the 18th Meeting of the Contracting Parties

(Proposed amendments to the text of Draft Decision IG21/15 "Financial Regulations and Rules and Procedures for the Contracting Parties, its subsidiary bodies and the Secretariat of the Convention for the Protection of the Marine Environment and the Coastal Region of the Mediterranean")
Draft Decision IG.21/15

Financial Regulations and Rules and Procedures for the Contracting Parties, its subsidiary bodies and the Secretariat of the Convention for the Protection of the Marine Environment and the Coastal Region of the Mediterranean

UNEP notes the Parties' request for clarification and reference to specific denominations of the trust funds. However, UNEP advises against specific references or naming formats. The UN system will be adopting a new enterprise resource planning system, titled “Umoja”, which UNEP is scheduled to go live on 1st July 2014. Under this new system, various aspects of business practice will change, and this may affect the denominations to trust funds.

Therefore this corrigendum modifies Procedure 3 of the text of the Draft Decision to be adopted by the Parties accordingly.

In addition, UNEP has prepared the following explanatory note to accompany the Financial Procedures.

Explanatory note from UNEP

I. Procedure 3

   a. Paragraph 1 of Procedure 3 refers to the trust fund denominated MEL.

   b. Paragraph 3 of Procedure 3 includes reference to the trust fund denominated QML. The Account that has been established includes a UNEP project which shall receive discretionary contributions, which shall be maintained separately from any other voluntary contribution made by other parties to the support of the Programme of Work and Budget as approved by the Contracting Parties.

   c. Paragraph 4 of Procedure 3 refers to the trust fund denominated CAL.

The revised Annex 1 “Financial Rules and Procedures for the funds of the Barcelona Convention” to the Draft Decision IG. 21/15 “Financial Regulations and Rules and Procedures for the Contracting Parties, its subsidiary bodies and the Secretariat of the Convention for the Protection of the Marine Environment and the Coastal Region of the Mediterranean” is provided below:
