MEDITERRANEAN ACTION PLAN
Extraordinary Meeting of MAP Focal Points
Catania (Italy), 7-11 November 2006

DRAFT TERMS OF REFERENCES OF MAP AND RACs’ FOCAL POINTS
Introductory note

The report of the External Evaluation of MAP has recommended that Terms of Reference should be developed for the MAP and RAC Focal Points. Up to now no such Terms of Reference exist.

Contracting Parties will continue to have the prerogative to designate MAP and RAC Focal Points but it is felt that by having Terms of Reference as guidelines, Contracting Parties would be in a better position to identify the appropriate official to carry out this role.

These draft Terms of Reference will also help to define the main tasks that the Focal Points are expected to perform in order to coordinate the relationship between the countries and the MAP Secretariat or the RACs.

In this respect, the Secretariat has prepared this document which includes the draft Terms of Reference for MAP and RAC Focal Points for the consideration of the Extraordinary Meeting of MAP Focal Points in November 2006. The Terms of Reference of the RACs and MED POL Focal Points were prepared together with the respective Directors.

It is the intention of the Secretariat that, following a thorough discussion of the proposed drafts at next November’s meeting, a second draft will be prepared and submitted for the consideration of the meeting of MAP Focal Points in 2007.
