Dear Head of UNEP Chemicals,

Since 2007, I have been contributing on the initiation of international research collaboration among several atmospheric mercury research groups in Republic of Korea and the United States. The goal of this research collaboration is scientific supports for UNEP Global Mercury Partnership (UGMP) through providing technical assistance and training among research groups, and also through sharing information on atmospheric mercury research in asia-pacific region. I would like to keep on contributing to build up this collaboration and UGMP as an Individual Partnership.

I would like to contribute to the following area of partnership:

✦ **Mercury Air Transport and Fate Research**

Detailed objectives of my commitment to the partnership are as follows:

- 1. International Research Collaboration on Atmospheric Mercury in Asia-Pacific Region**
- 2. Monitoring of Trans-Pacific Mercury Air Transport and Fate**

Sincerely,

Sang-Joon Yoo, PhD
