

THE LETTER OF INTENT

Date: 8 October 2013

To,
The Head of Branch
UNEP Chemicals Branch DTIE
11-13, chemin des Anémones
CH-1219 Châtelaine - Geneva, Switzerland

Subject : Request to be considered as partner to the UNEP Global Mercury Partnership.

Dear sir/ madam,
My organization **Young Naturalist Network** endorses the goals and objectives of the UNEP Global Mercury Partnership and wishes to be considered a partner of the GMP.

The contributions that we would like to make in ways of technical, developing tools, status report, scientific research & survey, policy making, project planning & implementation and public awareness of main six areas of the Global Mercury Partnership are described in below:

- a) **Mercury cell chlor alkali production.**
- b) **Mercury in products.**
- c) **Mercury releases from coal combustion.**
- d) **Mercury waste management**
- e) **Mercury supply and storage mercury supply and storage**
- f) **Mercury releases from the cement industry**

We strongly believe to achieve the overall goal of the UNEP Global Mercury Partnership is to protect human health and the global environment from the release of mercury and its compounds by minimizing and, where feasible, ultimately eliminating global, anthropogenic mercury releases to air, water and land.

We understand that this letter of intent is not legally binding and that a copy of this letter of commitment, copy of letter of recognition to YNN as Partner to Global Mercury Partnership (GMP) and the name of **Young Naturalist Network** will be publicly listed on the UNEP Chemicals Branch web site.

Yours sincerely
