Dear Sir/Madam,

### **UNEP GLOBAL MERCURY PARTNERSHIP**

On behalf of the Malawi government's Environmental Affairs Department, we would like to convey our support for the UNEP Global Mercury Partnership and its commitment to achieving this partnership goal.

In this regard, we are committed in contributing to meeting the said partnership goal by contributing resources and/or expertise to the development and implementation of partnership goals through public awareness campaigns for a start, leading to inventory compilations. Also, we intend to network with other organizations or agencies and individuals in addressing mercury issues, but also in any other way that might seem necessary for the achievement of the said goals.

We look forward to working with you in the said matter and becoming partners in the UNEP global Mercury Partnership.
