Environment

5 September , 2016

Mr. Jacob Duer
Head, Chemicals Branch
Division of Technology, Industry and Economics
United Nations Environment Programme
11-13 Chemin Des Anemones
CH-1219 Chatelaine
Geneva, Switzerland

Dear Mr. Duer,

On behalf of the Ministry of Environment of Republic of Korea, I would like to confirm Republic of Korea's support on the UNEP Global Mercury Partnership. We appreciate the efforts and the accomplishments of the Partnership since its inception in 2005 to achieve the goal to protect human health and the global environment from the risk of mercury.

To further the goal of the Partnership, we will support the Partnership through in-kind contributions and participation of expertise on the areas of Mercury air transport and fate research, Mercury releases from coal combustion, Mercury waste management and Mercury supply and storage, which areas are of particular relevance to Republic of Korea.

We are grateful for UNEP's dedicated commitment to global mercury reduction and we look forward to our involvement with the UNEP Global Mercury Partnership for the global implementation of the Minamata Convention on Mercury.

Sincerely,

Jeong-Seop Hong
Director
Chemicals Policy Division
Ministry of Environment, Republic of Korea
