# Resource Person List under the UNEP Global Mercury Partnership Waste Management Partnership Area

(Second Version, as of March 2012)

#### 1. About this List

- This Resource Person List was created with the following objectives:
  - (1) To provide a list of resource persons that the partners could contact when they wish to obtain advice from the technical standpoint in formulating or implementing projects to reduce mercury releases from waste management
  - (2) To provide a list of resource persons who could provide advice on the activities of the Waste Management Partnership Area such as organizing face-to-face meetings or drafting/revising the Good Practices Document
- The letter from the Partnership Lead regarding the preparation of this list, which includes in its
   Annex the details of the preparation process, can be found from the following URL.
   <a href="http://www.unep.org/hazardoussubstances/Portals/9/Mercury/Waste%20management/Letter-Request-on-Resource-Person-List-101020.pdf">http://www.unep.org/hazardoussubstances/Portals/9/Mercury/Waste%20management/Letter-Request-on-Resource-Person-List-101020.pdf</a>

#### 2. How to utilize this List

- Partners may contact the Resource Persons directly through the contact information provided in the detailed List<sup>1</sup> or through the Contact Person indicated below. Non-Partners who wish to contact the Resource Persons may also contact them through the Contact Person.
- NOTE: The detailed List which includes personal information should be shared only among the Partners of the Waste Management Partnership Area.
- If one would like to obtain, for instance, answers to some simple questions from the Resource Person, it is most likely that charges will not occur. If one wish to request for time-consuming work such as hiring the Resource Person as a project advisor or a trainer, it is most likely that charges will occur. Financial matters are to be discussed directly between the Resource Person and those requesting for his/her assistance.

#### 3. Additions/changes to the List

- Those who wish to nominate candidates to be added to this List should fill-in and send to the Contact Person the registration form, which is available from:
  - $\frac{http://www.unep.org/hazardoussubstances/Portals/9/Mercury/Waste\%20management/Resource-Person-Registration-Form-101020.doc$
- Requests for changes or corrections to the List should also be sent to the Contact Person.
- In response to these nominations and/or requests for changes, the List will be revised.

### 4. Contact Person
