Subject: A letter to Support UNEP Global Mercury Partnership.

Dear Mr. PER BAKKEN,

First of all, on behalf of Ministry of Environment of Cambodia, I would like to take this opportunity to express my admiration to UNEP Chemicals Branches Secretariat, which are playing important roles in the Global Mercury Partnership and supporting technical and financial aspects for many countries in prevention and reduction of mercury use and releasing to environment. Be noted that mercury is a toxic heavy metal and harmful to human health and environment. Recently, mercury is also a global concern and it need to be participated by voluntary partnerships.

In this regards, I am pleased to inform you that Department of Environmental Pollution Control of Cambodia has ready acknowledged and supported UNEP Global Mercury Partnership and committed to achieve the goal of the Partnership through the contribution of in-kind resources and national expertise as available within the country. The relevant areas of partnership that Cambodia is interested in joining are as highlighted below:

- 1- *Artisanal and small Scale gold mining.*
- 2- *Mercury waste management.*

Accept, sir, the assurances of my highest consideration and look forward to further work and collaboration with you on mercury issues. *HN*

Yours sincerely,

HENG NARETH
Adviser to the Ministry of Environment
Director of Environmental Pollution Control Department
