# Post-2015 Development Agenda

## Strategy based on 3 pillars of work:

### Inclusive national, regional & global consultation processes

building on on-going consultations & feeding into the post-2015 formal process.

### Thematic consultations

with academia, media, private sector, employers and trade unions, civil society, and decision makers on the current central challenges to development.

### Global Conversation:

Web Portal , big data analytics and citizen mobilization to allow open interaction and information exchange among a range of stakeholders.
