UNEP-ICCA Project "Promoting Chemical Safety Management in the African Region" Training Workshop on Emergency Preparedness and Dangerous Goods Handling Venue, Tema, Ghana, 23-24 July 2015

The workshop is organized in various modules categorized under (i) handling of dangerous goods and (ii) emergency preparedness and response.

The objectives of the workshop are:

- 1. To present and disseminate the results of the project "Promoting Chemical Safety Management in the African Region: activities in Tema Port".
- 2. To train countries of the region, namely Burkina Faso, Ghana, Mali, and Niger on handling of dangerous goods and emergency preparedness/response.
- 3. To discuss country and sub-regional needs and initial identification of way forward for improved emergency preparedness and chemicals management in Tema Port and along relevant transport routes to other countries of the region.

Day 1: Thursday 23 July 2015			
MODEL/TIME	TOPIC	PRESENTER	
8.30-8.30	Arrival and Registration of Participants		
8.30-8.45	Opening remarks	GPHA, ICCA/UNEP, EPA	
Module 1	Introduction of Training		
8.45-9.00	Project Overview and Training Objectives	ICCA/UNEP	
Module 2	Dangerous Goods legal framework – international and national		
9.00-10.00	 Overview of international framework and standards related to transport, storage and handling of dangerous goods Overview of national legal framework and standards related to management of dangerous goods along the supply chain. Mali or Niger or Burkina Faso 	ICCA/UNEP Burkina Faso Shipper's Council	
10.00-10.20	Coffee Break		
10.20-10.50	Dangerous Goods and GHS classification System	Johan van Wyk, ICCA	
Module 3	Ghana Hazard Mapping Results & Potential Hazards at Ghana Port		
10:50-11.45	Hazard Mapping along the transport corridor to landlocked countries	GNCPC, Lambert Faabeluon	
	Hazard Hotspots in the Tema Port	GPHA, Jimmy Daisie	
Module 4	Marking, Labels, Placards		

	Overview of marking, labels and placards: requirements and examples	Johan van Wyk, ICCA		
11.45-13.00	Marking, labels and placards in Ghana: Discussion on common practices	Ghassan Hussein, VERAD Transport		
	Examples of non-compliant and compliant, placarding, labels and markings	Johan van Wyk		
	Interactive session on marking, labels and placarding	Johan van Wyk		
13.00-14.00	Lunch Break	·		
Module 5	Managing the Transport and Storage of Dangerous Goods			
	Introduction to Hazard Identification and Risk Assessment in Relation to			
14.00-15.30	Transportation and Storage of Dangerous Goods – Un model regulations	Johan van Wyk, ICCA		
	Managing the Transport Of Dangerous Goods- Route planning	Ghassan Hussein		
	Vehicle Standards and best practices	Ghana Road Safety Commission/DVLA		
	Segregation of Dangerous Goods	Johan van Wyk, ICCA		
	Shipping documentation (5 minutes each)	Johan van Wyk		
		Laryea Quashie, GPHA		
15.30-15.45	Coffee break			
15.45-16.45	Group Exercise on Segregation and Storage	Moderated by UNEP/ICCA		
	Interactive session on potential hazards in the transportation and warehousing of			
	dangerous goods			
16.45-17.00	End of Day 1 and Setting the scene for Day 2	GNCPC		
	Day 2: Friday 24 July 2015 - EMERGENCY PREPAREDNESS			
8:30-9:00	Recap of day 1			
8:30-9:00 Module 6	Introduction to Emergency Preparedness and Response			
Module 6	Introduction to Emergency Preparedness and Response • Awareness and Preparedness for Emergencies at Local Level (APELL) and	Patrick Mwesigye, UNEP		
	Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas			
Module 6	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples 	Johan van Wyk, ICCA		
Module 6	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples 	Johan van Wyk, ICCA Johan van Wyk, ICCA		
Module 6 9.00-10:30	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods 	Johan van Wyk, ICCA		
Module 6 9.00-10:30 10.30-10.50	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break 	Johan van Wyk, ICCA Johan van Wyk, ICCA		
Module 6 9.00-10:30	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA		
Module 6 9.00-10:30 10.30-10.50	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP		
Module 6 9.00-10:30 10.30-10.50 Model 7	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport		
Module 6 9.00-10:30 10.30-10.50	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness Major Incidents at Port of Tema and Priority Emergency Plan 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport Andrew Teinor		
Module 6 9.00-10:30 10.30-10.50 Model 7	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness Major Incidents at Port of Tema and Priority Emergency Plan Case Studies by Transport Companies: Burkina Faso Transporter 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport Andrew Teinor Burkina Faso Confirmed		
Module 6 9.00-10:30 10.30-10.50 Model 7	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness Major Incidents at Port of Tema and Priority Emergency Plan Case Studies by Transport Companies: Burkina Faso Transporter Niger Transporter 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport Andrew Teinor Burkina Faso Confirmed Niger Confirmed		
Module 6 9.00-10:30 10.30-10.50 Model 7	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness Major Incidents at Port of Tema and Priority Emergency Plan Case Studies by Transport Companies: Burkina Faso Transporter Niger Transporter Mali Transporter 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport Andrew Teinor Burkina Faso Confirmed Niger Confirmed Mali Confirmed		
Module 6 9.00-10:30 10.30-10.50 Model 7 10.50-11.50	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness Major Incidents at Port of Tema and Priority Emergency Plan Case Studies by Transport Companies: Burkina Faso Transporter Niger Transporter Mali Transporter Ghana Transporter 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport Andrew Teinor Burkina Faso Confirmed Niger Confirmed		
Module 6 9.00-10:30 10.30-10.50 Model 7	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness Major Incidents at Port of Tema and Priority Emergency Plan Case Studies by Transport Companies: Burkina Faso Transporter Niger Transporter Mali Transporter Ghana Transporter Emergency Response Planning 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport Andrew Teinor Burkina Faso Confirmed Niger Confirmed Mali Confirmed		
Module 6 9.00-10:30 10.30-10.50 Model 7 10.50-11.50	 Introduction to Emergency Preparedness and Response Awareness and Preparedness for Emergencies at Local Level (APELL) and application in port areas General Emergency response planning: Levels, capacity and examples Emergency Response Guidebook 2012: Overview and examples Basic hazard information of Dangerous Goods Coffee Break Emergency Preparedness TransAPELL: Dangerous Goods Transport Emergency Planning in a Local Community Transport Emergency Preparedness Major Incidents at Port of Tema and Priority Emergency Plan Case Studies by Transport Companies: Burkina Faso Transporter Niger Transporter Mali Transporter Ghana Transporter 	Johan van Wyk, ICCA Johan van Wyk, ICCA Johan van Wyk , ICCA Patrick Mwesigye, UNEP Ghassan Hussein VEHRAD Transport Andrew Teinor Burkina Faso Confirmed Niger Confirmed Mali Confirmed		

	 Planning for emergencies/involvement of stakeholders Basic hazardous material spill control (PPE and spill kits) 	Johan van Wyk, ICCA
13.00-14.00	Lunch Break	
Module 9	Rapid Incident Reporting and Crisis Management	
14.00-15.00	Incident Reporting Systems and Crisis Management	Johan van Wyk, ICCA
	Case studies, The recent Circle Flood & Ghana Oil Company Fire Crisis	Edmund Owusu/Lambert Faabeluon (GNCPC)
Module 10	Testing of Emergency Response Plans	
15.00-16.00	Testing Emergency Response Plans	Johan van Wyk, ICCA + Ghassan Hussein (VEHRAD)
	Exercise on Emergency response	
16.00-16.15	Coffee break	
16.15-16.40	Follow up after the training	
	Questionnaire	
	Concluding remarks (EPA)	
16.00-16.20	Presentation of certificates and closing remarks	
16.20-16.40	Closing session	High level representative Tema Port
