Dear Sir/Madam

We wish to support the UNEP Global Mercury Partnership and commit to achieving the partnership goals.

CMA Ecocycle are Australia's only fully licensed (Environmental Protection Authority) mercury recycling and processing facility.

We are dedicated to promoting industry and public awareness, in Australia and near neighbours, to the responsible recycling of mercury wastes in every form.

We have many years of mercury waste management experience and ask to be considered to join UNEP Global Mercury Partnership.

We look forward to your reply.

Yours sincerely,
