**RE: REQUEST TO BE CONSIDERED A CONTRIBUTOR TO THE WORK  
OF THE GLOBAL ALLIANCE TO ELIMINATE LEAD PAINT**

The Kenya Industrial Research and Development Institute (KIRDI) is a Government Institution under the Ministry of Industrialization and Enterprise Development. The institute is mandated to undertake research and development in all industrial and allied technologies, including consultancy work for industries, community organizations and government. The institute's mission is to undertake Industrial Research, Technology and Innovation, and disseminates findings that will have a positive impact on national development in line with the country's Vision 2030.

The Institute hereby, endorses the goals and objectives of the Global Alliance to eliminate Lead Paint and wishes to be considered as a contributor to the work of the Alliance. However, KIRDI is unable to provide financial support to the Alliance but pledges to contribute in form of technical expertise in the field of occupational lead exposure from paints as and when required. The Institute understands that this letter of intent is not legally binding and that a copy of this letter of commitment and the name of Dr. Faridah Hussein Were will be publicly listed on the Global Alliance website.
