RE: REQUEST TO BE CONSIDERED A CONTRIBUTOR TO THE WORK OF THE GLOBAL ALLIANCE TO ELIMINATE LEAD PAINT

The Government Chemist Laboratory Agency (GCLA) which is the implementing Agency for the Industrial and Consumer Chemicals (Management & Control) Act of 2003 endorses the goals and objectives of the Global Alliance to Eliminate Lead Paint and wishes to be considered a contributor to the work of the Global Alliance.

The contribution that we would like to make to the work of the Global Alliance during time of membership is described below:

- 1) Contributing in -kind technical expertise to the development of and implementation of activities aimed at achieving the goals and objectives of GAELP
- 2) Providing laboratory services to sub-regional partners
- 3) Networking and sharing information with other partners

A handwritten signature in black ink, consisting of a stylized 'H' or similar character followed by a long horizontal line.

4) Contributing lead in paint elimination by reviewing national regulating framework (ICCA Cap 182 & Regulations 2015)

We understand that this letter of intent is not legally binding and that a copy of this letter of commitment of the Government Chemist Laboratory Agency will be publicly listed on the Global Alliance web site.

Yours sincerely
