Meeting objectives:

Move the Outlooks chapters towards third order draft quality by (2.5 days):

- Addressing all comments received from the second order draft technical review period and from the scientific editor's team;
- Improving coherence of single chapters and within the entire part B;
- Improve the quality of the chapters by:
 - completing the scenario/outlook review chapter
 - advancing the methodology and conclusions chapters
 - linking the 'seeds' chapter to the top-down scenarios chapters
- Ensuring that all components needed for a 2nd Order draft version are included in the chapters (references and citations, graphs and charts and so on)
- Address any comments on structural, technical or science editing provided by the editing team.
- Ensuring a full set of conclusions and recommendations related to the Healthy Planet / Healthy People theme of the sixth Global Environment Outlook.
