

Integrated SC toolkit to improve the transmission of information under Articles 07 and 15

Country Work

Guidance on country work

- Each country should briefly describe its current status on the following points
 - Yes
- Present the information in the plenary session

Project overview

Objective: Facilitate the development, transmission, access and use of data contained in National Implementation Plans (NIP, Article 7) and National Reports (Article 15)

Outcome

Enhanced compliance with the Stockholm Convention through improved transmission, accessibility and use of data contained in NIPs (Article 7) and National Reports (Article 15)

Outputs

1.1 Gap analysis & consultations with the SC Parties, taking into account gender aspects.

1.2 Integrated articles 7 and 15 electronic toolkit designed taking

1.3 Demonstration of the integrated electronic toolkit taking into account gender aspects

1.4 Development of Replication Strategy

Points to provide input on

- Possibilities of each country to **directly receive funds** ?
 - Yes,
- Any **SC reporting mechanisms** in place? **Synergies** with BC reporting or other reporting obligations? (Elaborate on compatibility aspects, e.g. type of information required)
 - Not yet
- Available **electronic data collection and management systems/databases/tools**?
 - Yes, under development of PRTR report / No
- On-going **inventory development work/last inventory conducted** ?
 - Yes, NIPs 2013-2015, PRTRs / yes, reviewing the first NIP
- Quality assurance and quality control (**QA/QC**) systems in place?
 - NO
- Need for specific **capacity building/training on reporting or other** ?
 - Using electronic reporting system of SC
 - Increase awareness inter-ministerial working group for chemical agreements and conventions about new POPs
 - Training to improve data management
- Potential links with any existent **electronic data collection and management systems or related projects** ? (Short description)
 - Yes, PRTR / No
- Synergies with existent projects (PRTRs, ChemObs) ?
 - Yes, /No
- Expectations from this project ?
 - Improve understanding electronic reporting system
 - Improve Information and data dissemination
 - Strengthen implementation PRTR system at national level
 - Increase capacity for data management

 - *Purple marked text is for Papua
 - **where there is only one answers if for both Papua and Cambodia
