

Integrated SC toolkit to improve the transmission of information under Articles 07 and 15

Meeting objectives

*Jacqueline Alvarez, Head
Knowledge and Risk Unit
Chemicals and Health Branch
Economy Division*

Meeting objectives

1

- Enhance understanding on the project objective and scope

2

- Consider project deliverable prepared (generic and individual gaps analysis, POPs data gathered)

3

- Review of project activities, outputs and intended outcomes

4

- Discuss detailed project workplan for 2019
- Define scope of national activities and related budget

Expected outcomes

1

- The understanding on the project objective and scope is enhanced

2

- Project deliverable prepared (generic and individual gaps analysis, POPs data gathered) acknowledged

3

- Project activities, outputs and intended outcomes reviewed

4

- Detailed project workplan for 2019 endorsed
- Scope of national activities and related budget defined and endorsed

Thank you
