Global project on the updating of National Implementation Plans for POPs

Overview on NIPs umbrella component

Jacqueline Alvarez, Head
Knowledge and Risk Unit
Chemicals and Health Branch
Economy Division
Background

Global/regional support component

GEF FSP (ID: 5307) „Global project on the updating of National Implementation Plans for POPs“

GEF MSP (ID: 5525) „Global project on the updating of National Implementation Plans for POPs – add on to umbrella FSP project“
## Project Overview

### Objective:
To assist countries to review and update the National Implementation Plan (NIP) in order to comply with reporting obligations (Article 15) and updating of National Implementation Plans (Article 7) under the Stockholm Convention.

<tr>
<th>Outcome</th>
<th>Outputs</th>
</tr>
</thead>
<tbody>
<tr>
<td>Enhanced communication and sharing information will enable Parties to compare and harmonize data and identify lessons learned and good practices</td>
<td>1. Identify and disseminate lessons learned</td>
</tr>
<tr>
<td></td>
<td>2. Identify initial needs and opportunities exchange of information and expertise</td>
</tr>
<tr>
<td></td>
<td>3. Provision of regional/global training support and encourage information exchange</td>
</tr>
</tbody>
</table>
Overview of NIPs umbrella component

Regional and global assessment on the initial NIP development process to identify gaps and needs

- Compiling the available POPs quantitative data within the NIP and national reports

Development of an information exchange system (forums, expert sessions, webinars) etc.

- Organizing thematic webinars on POPs inventories
- Organizing 3 training workshops in collaboration with BRS (Indonesia, Panama, Fiji)

Enhancement of the SC CHM (in collaboration with the BRS Secretariat) and facilitation of national reporting

- Mapping of the available POPs quantitative data from NIPs and national reports (on going)
- Incorporation of POPs data gathered into the SSC clearinghouse (on going)
- Input and feed in information into new GEF project on Art. 07 and 15
