***Errata Note***

*“Global Resources Outlook 2019: Natural Resources for the Future We Want”*

Apologies to those of you who have downloaded the Global Resources Outlook 2019: Implications for Business Leaders on or before 8 April 2019.

The following changes were made in the PDF and any future printed versions document:

- In Figures 2.29 and 2.30, the labels on the two graphs are incorrectly coloured. Population should be blue; Affluence should be red; and technology should be green.

Any downloaded and printed versions prior to 08 April 2019 should be read as per this note. The current online version reflects these changes.
