Dear Sir, Mme,

Aurum Monaco refinery is located in the Principality of Monaco, in the Fontvieille district. Aurum Monaco produces very high-end precious metal products, due to its brand-new cutting- edge technology and machinery.

The gold refinery of Aurum Monaco is based on the latest gold electrolytic refining processes.

The importance of producing “Eco-Responsible” and absolute ethically sourced is vital to us in times of global reputational risk for luxury jewelry brands, as well as for the concerned and well-informed consumer.

We're now committed to work closely with UNEP to be active in the field of the ASM . And contribute in the financing of machinery to reduce and eliminate Mercury and in the same time secure gold offtake from the same sources.

We intend as well to give exposure of the Minamata Convention within the Authorities of Monaco and also the Albert II Foundation.

We welcome the opportunity to work closely with you, and look forward to a long and prosperous relationship.

Best Regards,

Selim Fendi
