Subject: Request to be considered as a Partner in the Global Alliance to Eliminate Lead Paint

To Whom it May Concern:

Eco-Accord endorses the goal and objectives of the Global Alliance to Eliminate Lead Paint and wishes to be considered a Partner in the work of the Lead Paint Alliance.

We would like to support the work of the Alliance as described below:

1. Exchange information on the effects of lead on health and initiate activities to raise awareness of the health impacts of exposure to lead in paint;
2. Exchange information to promote general public awareness of the hazards of lead paint and provide that can help reduce exposure to lead in paint;
3. Encourage nations to conduct housing surveys to estimate the prevalence of lead paint in their housing stock;
4. Enhance the elimination of lead paint in schools and other buildings where children will be present, given children's susceptibility to lead;
5. Test the lead content of paints sold or used nationally or locally and disseminate results.

Eco-Accord understands that this letter of intent is not legally binding, and that a copy of this letter requesting to become an Alliance partner and the name of Eco-Accord will be listed on the Lead Paint Alliance web site (www.unep.org/noleadinpaint).
