

## OZONE DAY 2019 IN UZBEKISTAN

## THE NATIONAL CONTEST OF CREATIVE WORKS “THE OZONE LAYER AND ME”

This year’s celebration of the International Day for the Preservation of the Ozone Layer in Uzbekistan incorporated 4 contests and a lecture about the Ozone layer preservation.

**Organizers:**

- State Committee of the Republic of Uzbekistan for Ecology and Environmental Protection,
- Women’s Committee of Uzbekistan,
- UNDP in Uzbekistan and its joint project " Complete HCFC Phase-out in Uzbekistan through Promotion of Zero ODS Low GWP Energy Efficient Technologies "

**Participants:** journalists, developers of electronic posters, students, schoolchildren, kids and ordinary citizens of the country.

**The purpose of the contest:**

- Raising public awareness about the protection of nature, in particular, the ozone layer;
- Informing the participants about the effects of the Ozone layer depletion, its protection and climate change;
- Encouragement and efficient organization of the participants' time.

**Categories and special requirements of the contest:**

**«The best article».** The contest was for articles published by journalists dedicated to the importance and protection of the Ozone layer. The articles were published in printed and online media;

**«The best essay».** The contest was for essays on “The Ozone Layer and Climate Change” prepared by the students of high schools, dedicated to the importance and protection of the Ozone layer;

**«The best electronic poster».** The contest was for electronic posters devoted to the Ozone layer and environmental protection with special slogans and logos for all;

**«The best drawing».** The contest was for illustrations of the importance and protection of the Ozone layer. The drawings of the participants were judged in three age categories — 3-7, 7-16 and 16 years old and above.

The event took place on the 16<sup>th</sup> of September and included two parts. All participants were awarded certificates for their active participation and the winners were awarded diplomas and prizes.

The first part included a lecture on the theme: “The Ozone layer and me”. Furthermore, quiz and different games were organized to further disseminate information about the Ozone layer and the participants who found the right answers for the quiz/games were encouraged with additional gifts.
