Faith for Earth Updates February 22, 2019

Dear Brothers and Sisters,

We are only 10 days away from the United Nations Environment Assembly (UNEA) and preparations are fully underway to ensure a smooth and fruitful meeting for all.

We are delighted to announce that we will now be hosting **35 accredited** faith-based organizations and **54 speakers** who will be representing **46 organisations**. More information can be found by clicking on our flyer below and the latest [schedule of Faith for Earth](#) events.

Young Champions nominations

We encourage all partners to nominate a candidate for the Young Champions of Earth Award. You can find more information about the award on our [website](#).

Bilateral meetings

If you wish to engage with the Faith for Earth initiative through bilateral meetings during UNEA, please kindly liaise with Ms. Yu Cheng at yu.cheng@un.org who will coordinate a convenient time and date. Kindly indicate the topic of the meeting so as to invite relevant advisors from across the organization.

Social media

For your social media advocacy and general messages, do not forget to use our hash-tags [#Faith4Earth](#), as well as [#SolveDifferent](#) and [#UNEA4](#), particularly for the Twitter platform. We also encourage you to download the ['UN Environment Events' app](#) to your phone to stay in sync with all events during UNEA.

We will be visiting the **Children's Future Vessel** on Tuesday 12 March at 3 pm which is located behind the Expo Tent. Remember to bring a stone with you!

Please remember Kenya is [plastic bags free country](#) and the UN compound is **plastic and paper free**.

We wish you a safe journey to Nairobi, and are very excited to see you soon.

Best wishes,

Iyad
