VISION
By 2030, Mongolia aspires to be amongst leading middle–income countries based on per capita income. It hopes to be a multi–sector stable economy, and a society dominated by middle and upper–middle income classes, which would preserve ecological balance, and have stable and democratic governance.

Sustainable economic development

7 sectors, 22 goals

Sustainable social development

3 sectors, 12 goals

Sustainable environmental development

3 sectors, 6 goals

Sustainable development governance

4 goals

HOW SHOULD MONGOLIA ACHIEVE THE SDG AND SDV GOALS AND OBJECTIVES?

Ensure the alignment of long, medium and short-term, national, sectoral and sub-national development policy documents **1**

Set SDG indicators and targets at the national level **2**
Amendments to legislation **3**

Develop and strengthen national institutional frameworks for development planning and ensure its stability **3**

Ensure the alignment of priority objectives with budgeting and financing **5**

Methodology

Formulated an evaluation process as advised by the Stockholm Environment Institute of Sweden.
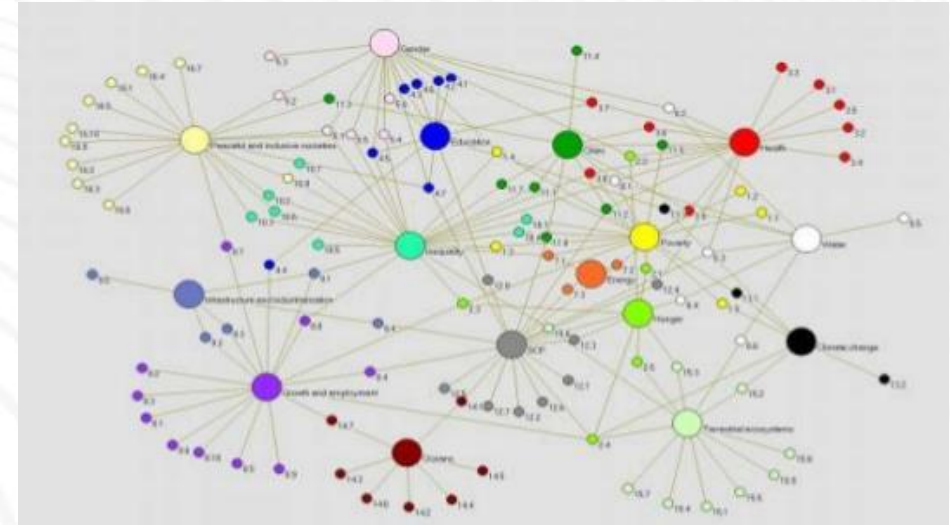

Experience

It is being tested by certain sectors such as mining and energy.

Training

Aiming to train policy planners in all areas.

**Assessment**

The evaluation process will include participation from all ministries and public institutions involved in policy making/issues.

SDGs

New Policy Documents

Outcome

INTERMEDIATE OUTCOME

- Irrelevant policy documents are abolished
- Policy documents not consistent with long term goals are reviewed and amended

FINAL OUTCOME

- Interlinkages between policy documents will be ensured
- SDG targets will be set

ORGANIZATIONAL MAP FOR ASSESSING POLICY COHERENCE AND TARGET SETTING

GOVERNMENT

List of policy documents that need to be amended re-adopted with corresponding recommendations

A comprehensive recommendation on follow-up actions to the development of methodologies, standards or data collection for indicators that are not readily available

Principal Working Group

Results from assessing policy coherence

Guidance and support to provided to sub-working groups in target setting

Results of the work on setting the indicators and targets for the SDG at the national level, and related recommendations

Feedback and suggestions on the policy document that need to be amended or re-adopted

Sub-working group 1	Sub-working group 2	Sub-working group 3	Sub-working group 4	Sub-working group 5	Sub-working group 6	Sub-working group 7	Sub-working group 8
Poverty, employment, gender equality, population, security	Food, agriculture, industry	Health, hunger	Education, culture, science, Cultural heritage	Environment, tourism, disaster, water, land	Governance, human right, equality, violation, migration	Economy, production, cooperation, partnership	Infrastructure, urban development, planning, construction

Principal Working Group

Chairperson: CHIEF OF CABINET SECRETARIAT

Members:

– STATE SECRETARIES OF ALL THE MINISTRIES

– CHAIRMEN OF ALL POLICY-MAKING BODIES

Secretary: Chairman of NDA

Sub-Working Group Chairs (STATE SECRETARIES of):

1. Ministry of Labour and Social Welfare

2. Ministry of Food, Agriculture, Light Industry

3. Ministry of Health

4. Ministry of Education, Culture, Sciences and Sports

5. Ministry of Environment and Tourism

6. Ministry of Justice and Internal Affairs

7. Ministry of Finance

8. Ministry of Construction and Urban Development

Four type of assessment was conducted by the Principal Working Group:

Whether policies are compliant with the Law on Development Policy and Planning

Whether policies have targets and indicators for each goal and objective

The extent of alignment between existing short and medium-term policies and SDGs, MSDV-2030, the Government Action Programme, and sectoral long-term policies

How short and medium-term policy outcomes are contributing towards achieving the MSDV-2030

Based on results of the review, necessary adjustments will be made to align policies with the SDGs.

THANK YOU FOR YOUR ATTENTION
