

ASSOCIATION WELFARE TOGO COMMENTS ON : Note from the Secretariat for the consultation meeting on the CPR-based review: Options under subparagraph 10 (b)

I. DRAFT TERMS OF REFERENCE OF THE BUREAU OF THE UNITED NATIONS ENVIRONMENT ASSEMBLY Election and composition of the Bureau

The two bureaus should be opened to accommodate the representation of at least 2 (a woman and a man) from the Major Groups. The representatives should be elected amongst members of the Major Groups Facilitating Committee. The two should represent MG in both bureaus and their mandate should be the same as other bureau members. Involving MG in a bureau has proved to be the most effective way of engaging MG in the SAICM.
