Meeting objectives and expected outcomes

Mihaela Claudia Paun, Consultant, Knowledge and Risk Unit
Chemicals and Health Branch, Economy Division
WHY DO WE NEED TO REPORT???
"Torture the data, and it will confess to anything."
- Ronald Coase, Economics Nobel Prize Laureate

"The goal is to turn data into information, and information into insight."
-Carly Fiorina, Former CEO of HP

"What gets measured, gets managed."
- Peter Drucker

"Without data, you are just another person with an opinion."
- W. Edwards Deming
Please raise your hand if you effectively participated in preparation of Stockholm Convention reports.
CONTENT?
FORMAT?
ELECTRONIC REPORTING SYSTEM?
WRITE ONE WISH

*WISH = TRAINING EXPECTATION
Workshop objectives

- Improve the understanding on the reporting obligations and the ERS under SC
- Increase the understanding on the interlinkages between NIP generated information/data and reporting obligations
- Conduct practical exercise on information/data compilation and completing the latest version of the Art. 15 reporting format
- Provide a platform for the countries to share success stories and challenges on reporting
Workshop expected outcomes

- Improved understanding of reporting obligations/formats, ERS and interlinkages with NIP
- Shared success stories and challenges in respect to the reporting under SC
- Considerations for next reporting cycle and the concept of the integrated electronic toolkit currently under development acknowledged
- Options to streamline the reporting process at the national level acknowledged
- Reporting skills builded using ERS demo
Thank you
