| 6 | Samir skaf Green Globe Skaf.Samir@gmail.com | Khawla Al-Muhannadi, president Environment Friends Society (EFS) Khawla.almuhannadi@gmail.com | My qualifications Samir Skaf is founder and Green Globe President since the year 2000. He was adviser to the Lebanese Parliament in Environment in the year 2019. He won the Ministry of Environment of Lebanon award for his role in the defense and protection of Environment in Lebanon in 2003. He was chosen by the ex-Lebanese President to participate in the report of Lebanon to Rio+20 conference. He was consulted by the Ministry of Environment many times and he is the only one to present to the Lebanese Parliament and Government complete Plans for Solid Waste crisis and issues and other plans in green issues. With Green Globe, Mr. Skaf undertook hundreds of green initiatives in the country, and was Silver Winner with Green Globe in the International Green Awards in London 2012 (supported by UNEP) as the Most Sustainable NGO in the World. |
