

2020 WORLD OZONE DAY CELEBRATIONS IN LAO PDR

To commemorate 2020 World Ozone Day with this year's celebration theme of 'Ozone for Life: 35 years of Ozone Layer Protection', the National Ozone Unit (NOU), under the Ministry of Natural Resource and Environment, Lao PDR, has broadcasted through the national media and disseminated the message of the UN Secretary-General, Antonio Guterres, on the International Day for the Preservation of the Ozone Layer.

The NOU invited the key stakeholders on the Montreal Protocol and ozone layer protection including refrigeration and air conditioning (RAC) training Technical college, RAC Association, and the NOU to participate in the Talkshow TV programme of Environmental Conversation and was broadcasted in September 2020 and on social media i.e. Facebook. The Talkshow provided information on obligations to phase out ozone-depleting substances and phase down the high global warming substances and the successful implementation of the Montreal Protocol related activities; the training on good practice needed by RAC technicians; customs training schedule; the practices on import license and quota of refrigerant as well as the label and inspection of refrigerant in the market. The VDO of practices was shared during the TV broadcast.
