

2020 WORLD OZONE DAY CELEBRATIONS IN VIET NAM

In celebration of the World Ozone Day 2020 on 16 September with the theme of Ozone for Life: 35 years of ozone layer protection, the Ministry of Natural Resources and Environment organized various communication activities such as hanging banners on the streets, organization of talkshows, and distributing leaflets to raise awareness about HCFC and HFC management in Viet Nam, disseminating press release on the celebration to media. The public awareness VDO with partners interview and talkshows were broadcasted through social media, TV and news channel i.e. VTV1, VTC14, VIR. The NOU has also cooperated with the relevant agencies to strengthen capacity and understandings among government agencies, businesses, and the public on the importance of phasing out substances that are harmful to the ozone layer or having a high global warming potential to protect Earth and life on the planet.
