

Regarding the *Draft elements for a decision on a medium-term strategy for 2022–2025 and programme of work and budget for the biennium 2022–2023*, Colombia would like to request an amendment on the *Medium-Term strategy for 2022–2025* on paragraph §48c as follows:

48. The seven UNEP subprogrammes will support, accelerate and scale up a shift to sustainable consumption and production patterns¹⁰ to achieve planetary sustainability for people, prosperity and equity. This will be achieved through:

(...)

(c) Enhanced support for ecosystem-based policies and restorative and regenerative practices to reduce habitat fragmentation by agriculture and food systems, extractive industries, infrastructure and other resource- and nature-intensive value chains; *as well as to promote the implementation of Nature Based Solutions approach.*

Colombia considers it essential to keep the concept of NBS in the text of the MTS and remains open for discussing it during the OECPR.
