**Pre-meeting 27 and 28 May 2021 (3 hours per day)**  
**Annotated Agenda**

**1. Opening of the pre-meeting**

The Chair(s) will open the pre-meeting and propose the adoption of the meeting agenda. The Chair(s) will open the floor for one co-convenor and UNEP to deliver opening remarks.

**2. Setting the scene**

The Conference shall serve as a kick-off for the further preparations for UNEA 5.2 for action to address marine litter and plastic pollution. The Chair(s) will open the floor for updates and discussions.

**a. Statements and positions**

Participants will be invited to deliver statements describing their positions and perspectives on the global action that should be addressed in a resolution at UNEA 5.2.

**b. Open discussion on expectations for global action at UNEA 5.2**

The Chair(s) will open the floor for participants to share suggestions, inputs and expectations for global action at UNEA 5.2. Priority will be given to country representatives followed by major stakeholders.

**3. Discussions on thematic workstreams**

The Chair(s) will introduce the co-facilitators for each of the proposed thematic workstream.

**a. Common goal/vision and objectives of a potential global instrument**

The co-facilitators will introduce the thematic workstream, and participants will be invited to discuss the thematic workstream.

**b. Data, monitoring, and reporting**

The co-facilitators will introduce the thematic workstream, and participants will be invited to discuss the thematic workstream.

**c. Measures to address marine litter and plastic pollution, including through a life-cycle approach, and dialogue with industry and consumers**

The co-facilitators will introduce the thematic workstream, and participants will be invited to discuss the thematic workstream.

**4. Any other matters**

The meeting will discuss any other matters related to its work.

**5. Closing of the Meeting.**

The Chair(s) will deliver a short summary of the pre-meeting. The meeting is expected to close at 17:00.
