

How do we see plastic waste towards sustainability?

Shunichi Honda

International Environmental Technology Centre, Economy Division
United Nations Environment Programme

How do we see plastic waste?

- Plastic waste/plastic waste
- Plastic waste/municipal solid waste
- Plastic waste/all waste

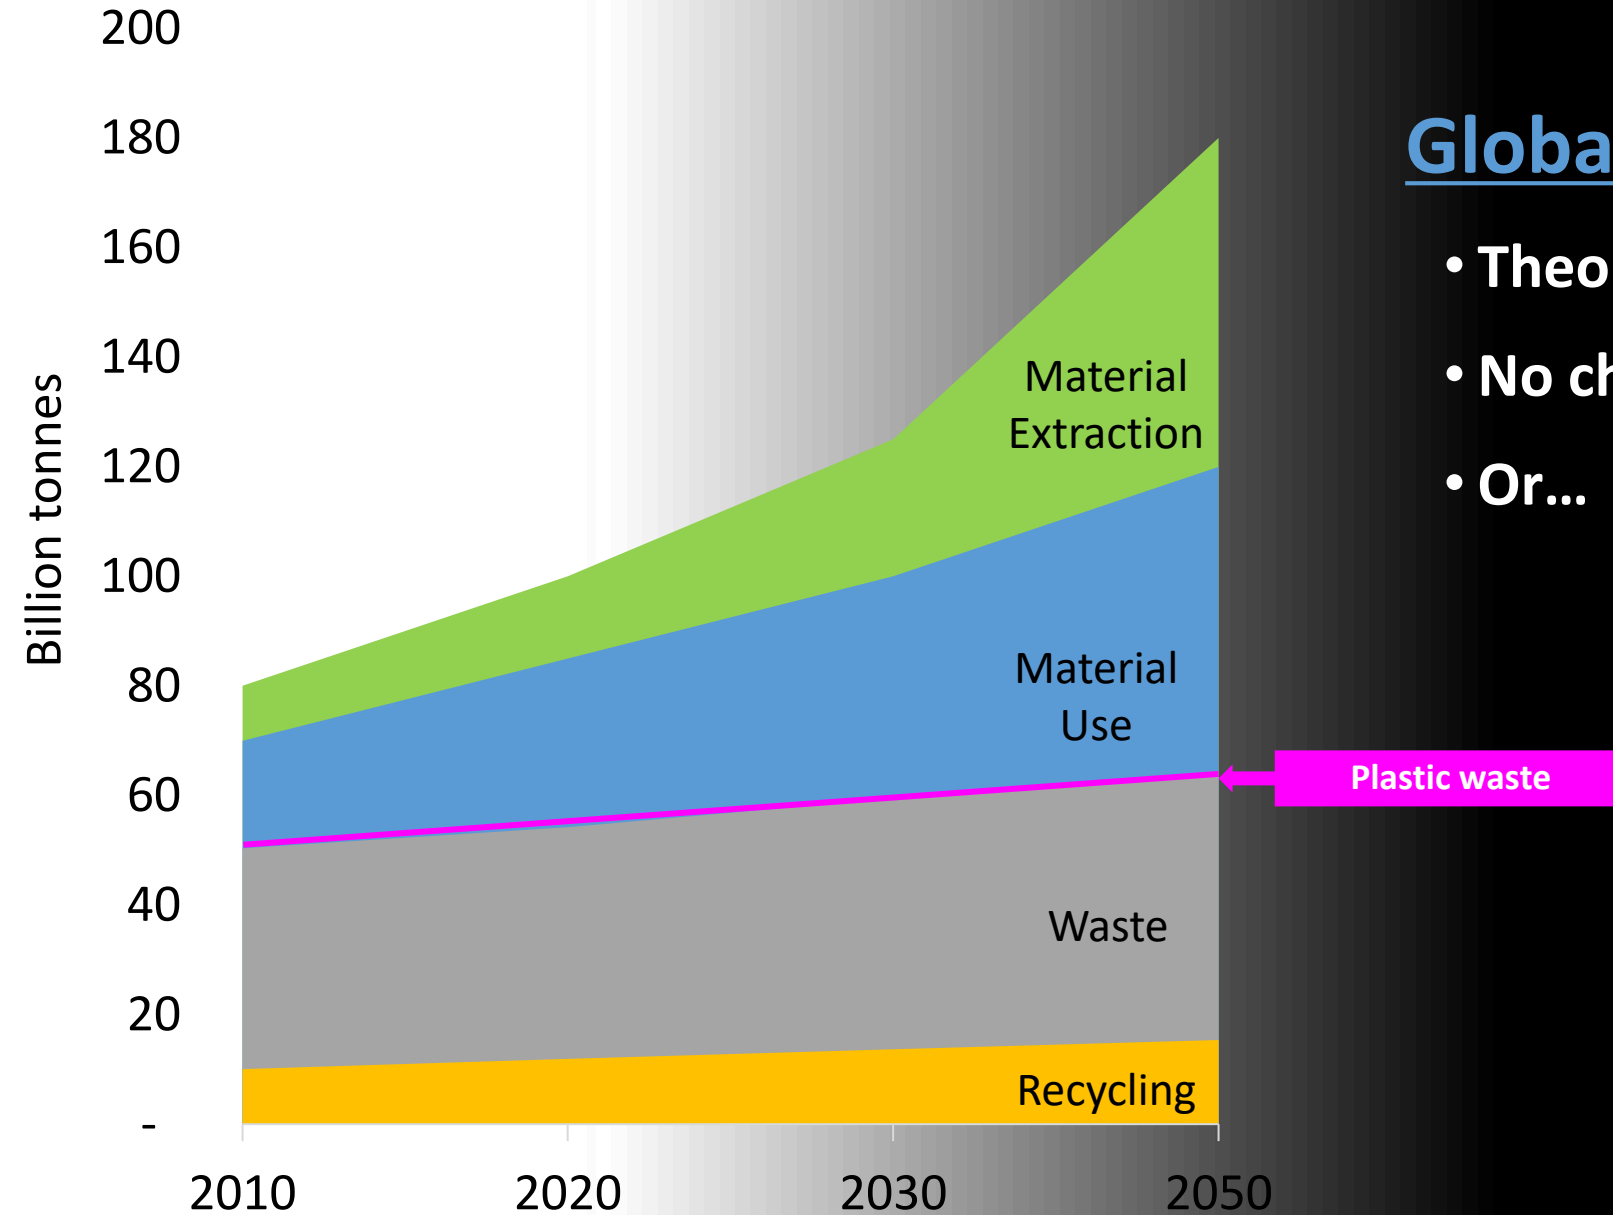

All waste vs plastic waste

- Waste management including plastic waste and marine litters
- Resource management including plastics
- Sustainability including waste management

Global Material Use and Waste

- Theory vs Reality
- No change in 2050?
- Or...

Thank you
