Re: Application for membership in the UNEP Global Mercury Partnership

Dear Madam or Sir,

Atlantic Energy Associates LLC is very much interested in becoming a partner of the UNEP Global Mercury Partnership for the Mercury Control from Coal Combustion area. We believe we can continue bringing added value to the Partnership and we propose Dr. Wojciech Jozewicz as our representative.

Dr. Wojciech Jozewicz has been active since 2009 in supporting the Partnership through his former employer. Dr. Jozewicz has been participating in Mercury Experts Meetings, has been active at INC meetings leading to Minamata Convention and Mercury. He has been supporting UNEP's projects and agreements with China, Russia, South Africa, India, Thailand, Vietnam, and Indonesia. Dr. Jozewicz is actively supporting Coal Combustion Partnership participating in Partnership's meetings and supporting ongoing projects in Indonesia and in India.

We believe Dr. Jozewicz can substantially contribute to UNEP Global Mercury Partnership's goals utilizing his experience with mercury emission control technology development and his experience to-date supporting UNEP programs throughout the world.

Sincerely Yours,
