- The numbers of fully vaccinated reporting positive results is rising with the possibly attributable to the new variant. Presentation remains mild with no ICU or HDU admissions among vaccinated personnel.
- A large number pending vaccination status as we await confirmation

Vaccination drive

- >95% of staff have been fully vaccinated
- Currently running the booster campaign open for those who are 6 months past their 2nd dose
- Deploying Moderna, Pfizer and Astra Zeneca vaccines

- *Thank you*
