UNON COMPLEX

1. About the UNON Gigiri Complex

Under normal circumstance, the Gigiri complex accommodates more than 4000 staff members inclusive of the service coordinators. During major conferences, the population at the Gigiri complex can exceed 6,000 people. However, due to the COVID-19 pandemic, most UN staff members currently work from their home-offices.

The 140-acre **UN Gigiri complex** is a peaceful place, adjacent to the famous Karura Forest, where the Nobel Laureate, Prof. Wangari Maathai, sought refuge and sanctuary when this green asset was a subject of land sub-division by the Kenya Government at the time.

The **Karura Forest complex** (about 2,000 hectares) is a unique public facility under the management of the Kenya Forest Service. Well-demarcated nature trails, jogging lanes and cycling paths provides the best environment for recreational activities, including physical training. The forest offers a chance to observe local wildlife such as red duikers, squirrels, marsh mongoose, Sykes monkeys and olive baboons. Several bird species can be spotted, including crowned cranes, Egyptian geese, crested eagles, green pigeons and hoopoes. Colorful butterflies and animals, such as reptiles and amphibians are frequently sighted.

While at the UN Complex in Gigiri, please refrain from feeding the Sykes' monkeys. They are wild animals and should not be fed with any left-over food meant for human consumption, to avoid acquiring food snatching habits and conflicts with humans.

The UN Gigiri Complex has a variety of unique natural habitats and thematic artefacts. It also

boasts of an ecologically balanced environment, with a set of constructed wetlands filled with reed-beds and artificial water features, to support its primary wastewater treatment. A designated biodiversity 'arboretum' with an assemblage of indigenous tree species is situated on the southern end of the Complex with interpretive nature trails. Staff use this biodiversity feature for jogging, in addition to the paved walking tracts along the perimeter fence of the complex property.

2. Access to the complex

Access to the UN Gigiri Complex is via the UN Avenue – off Limuru Road. The pedestrian access is through the Pavilion, north of the main vehicle access gates opposite the United States Embassy. Vehicles can drop off their passengers at a drive-in space in front of the gate.

N.B. - all participants must to be [registered](#) and approved prior to the meeting to be allowed access. Pre-

registered participants will be screened and are not allowed to bring any form of weapons, ammunition, flammable items or sharp objects. Participants will be issued with conference photo badges per the approved category of registration and are advised to wear the badge always during their visit to the complex. The main vehicle access gate is located opposite the United States Embassy. Only vehicles with an official UN decal or UN Environment Assembly Decal (which shall be provided to VIPs only) will be allowed into the complex through the main vehicular entrance and are subject to screening. Such vehicle decals will be issued by the Secretariat during registration and must be returned to UNON security upon expiry.

3. Registration to the UN Environment Assembly 2022

The dedicated **registration portal** can be accessed [here](#). Please note that each participant needs to be registered **individually**. Registration closes on **11 February 2022**.

Due to the COVID-19 situation, we encourage pre-registration **well before the registration deadline**.

The conference will be of hybrid nature. This means that all representatives of Member States and other stakeholders are invited to attend all the official meetings in person, provided that the COVID-19 minimum requirements outlined in the [secretariat notification](#) are respected. Any accredited delegate may also choose to actively participate in all formal meetings remotely

through the online meeting platform, with full speaking rights and with online interpretation in the six official languages of the United Nations. The Secretariat will also as far as possible seek to ensure that accredited participants can actively take part in the informal negotiations under informal working groups that may be established under the Open-Ended Committee of Permanent Representatives and the Committee of the Whole.

For this reason, the registration platform has been designed to cater both for in-person delegates and registrants who will be joining via the online platform, as follows:

- If you represent media and wish to register and attend the session in person, please choose the first option *Registration for IN-PERSON Participation for Media Representatives*
- If you represent a member state, observer state, IGO, Invited Independent Expert, or an accredited Non-Governmental organization who would like to attend the session in person, choose the second option on the portal -> Registration for IN-PERSON Participation for Member/Observer States Delegates and Accredited Stakeholders
- If you represent security staff for a minister or a VIP, or if you represent service providers to UNEA-5 and hence need to access the complex in person, choose the third option -> Registration for IN-PERSON Participation for Security and Service Providers.
- If you are a UNEP or UN staff member attending the meeting in person, chose the

fourth option -> Registration for IN-PERSON Participation for staff from UNEP and other UN entities

NOTE: If you represent any of the above affiliations and wish to follow the UNEA-5 session online and not in person, please choose the last option Registration for online participation for any delegate. For more information see the [registration guide](#).

Participant Travel to Nairobi (Non-UNEP Funded)

Travel for participants who are funding their own way to the Assembly can avail themselves of the following options: 1) Self-Book Travel; or 2) Use the travel agent at UNON to book travel and other services.

For participants who would like to utilize a travel agent to book flights, reserve a hotel, and arrange airport transfers, UNON's travel agency, BCD, is available to assist. Inquiries can be made at unea@bcdtravel.co.ke, or call at +254 737 408 911.

Participants are strongly encouraged to purchase air tickets far in advance of the start of the Assembly to take the most advantage of the special fares and ensure availability of flights.

UNEP-Funded Participant Travel to Nairobi

Travel for eligible participants for travel support will be facilitated by UNEP and the UNON Travel Unit, including return air-tickets (economy travel) and the daily subsistence allowance (DSA) for the duration of the meetings. A letter on this matter has been communicated by the Secretariat on 21 January 2022.

All participants/delegates who are sponsored by UNEP are required to provide hard copies of their boarding passes and passports to the secretariat to allow for travel reimbursement and DSA.

Questions regarding travel funding may be addressed to caroline.mramba@un.org.
