Draft Summary of the Joint Meeting of the Bureaux of the UN Environment Assembly and of the Committee of Permanent Representatives

Meeting documents can be accessed on the [meeting portal](#)

Agenda Item 1: Opening of the meeting and adoption of the agenda.

1. The President of the Assembly, H.E. Mr. Espen Barth Eide, welcomed participants and opened the meeting. A list of meeting participants can be found in the Annex.
2. The agenda of the meeting was adopted (available [here](#)).

Agenda Item 2: Consideration of the timing and format of UNEA-5 in view of COVID-19.

3. The President referred to the discussion at the subcommittee meeting on 13 January 2022, noting that the views had been more divided than initially perceived and that it no longer seemed likely to reach the necessary majority of active support for option 2, as per the [Secretariat background document](#) – to postpone the resumed session of UNEA-5 and the special session on UNEP@50 until April 2022. He invited the Executive Director, the Chair of the CPR and Members of the Bureaux to share their thoughts and guidance on how to address this situation.
4. The Executive Director referred to the recent submission of a notification from the secretariat requesting the alteration of dates for these meetings to April 2022, in accordance with rule 3 of the Rules of Procedure, and noted that for the proposal to take effect, it would need active support in writing from a majority of Member States. She assessed that the proposal to reschedule will not receive active support from a majority on the Member States, and pointed out that there were no other available dates on the multilateral environment calendar than the ones that had been proposed. She also underlined the need to ensure clarity on the dates as soon as possible. On this basis, The Executive Director proposed to withdraw the secretariat’s earlier notification on postponement, issued after the joint Bureau meeting on 11 January, to the effect that the resumed session of UNEA-5 and the special session UNEP@50 would be held on the original dates in February/March 2022. She also reaffirmed that the secretariat would do its utmost to ensure successful events, regardless of the choice of dates.
5. The Chair of the CPR briefly outlined the discussions at the meeting to the subcommittee meeting of the Committee of Permanent Representatives on 13 January and concurred with the assessment by the Executive Director.
6. The representative from host country clarified that Kenya stands ready to host both events either on the original dates or any other dates that may be decided by the Member States.

7. Following a brief discussion, Bureaux Members agreed to support the proposal by the Executive Director to withdraw the notification, to the effect that the dates for the resumed session of UNEA-5 and the special session on UNEP@50 would be kept unchanged.

Agenda Item 3: Any Other Matters.

8. No other matters were raised.

Agenda Item 4: Closing of the Meeting.

9. The meeting closed at 17:00 (GMT+3).
