## INTRODUCTION

This document is Volume II of the Mediterranean Action Plan: List of Meetings and Documents. It contains all Intergovernmental, Working Group and Bureau Meetings, organized and convened by UNEP within the framework of the Mediterranean Action Plan and its activities from January 1992 to the end of 1993. It does not include meetings organized by other UN Agencies or those meetings of MAP Regional Centres which were not assigned a WG code and number.

Volume I, List of Meetings and Documents, 1975-1991, was published in June 1992. In this volume, as in Volume I, meetings are listed chronologically under the following classifications:

- Intergovernmental (IG)
- Working Group (WG)
- Bureau (BUR)

Each entry is cited by classification code and number (agency, meeting classification, meeting and document number), full title, place and date of the meeting. All working and information documents pertaining to each meeting are also listed with their full title, code and number.

The list of meetings and documents 1975-1993, constitutes the MEDDOC database which has been compiled and organized with the use of Micro-CDS/ISIS software developed by UNESCO. It is continuously updated and may be queried on request.
