

# Stockholm+50: a healthy planet for the prosperity of all – our responsibility, our opportunity

*Stockholm, 2-3 June 2022*

---

Status Update: April 2022

---

# Stockholm plus 50 is...

## Reflect

...on the interlinkages of a healthy planet and collective well-being on responsibility, especially intergenerational responsibility and equity on alternative paradigms and metrics of collective well-being

## Connect

... agendas and commitments from the global processes of 2021/22 to strengthen the implementation of the 2030 Agenda  
---stakeholders and geographies to drive actions through an inclusive networked environmental multilateralism by working with governments, youth, women, indigenous groups, private sector, academia, alternative thinkers, philanthropists, interfaith groups and UN agencies

## Accelerate

... implementation by drawing upon innovative financing and means of implementation  
... urgent actions to recover and build forward from the pandemic towards resilient, inclusive and sustainable economies and a healthy planet for the prosperity of all
