

UNEP SPP mission and support to CFIT

Farid Yaker
Programme Officer, Sustainable Public Procurement
United Nations Environment Programme

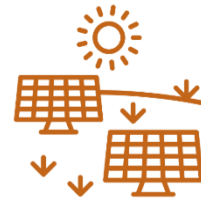

Mission of the SPP team

To accelerate the world's transition towards more Sustainable Consumption and Production policies and practices by supporting our member States in the implementation of sustainable public procurement, and developing tools and solutions to enhance the performance of SPP

Our Vision

Sustainable Procurement is
good procurement

Who do we work with?

- Governments
- Public Procurement Authorities
- SPP Consultants/experts
- Academic Institutions
- Private Sector

Why do we support the CFIT Pact?

- Mandate to support our member states on SPP implementation but also to accelerate the shift to SPP at global level
- CFIT Pact under the One Planet Network SPP Programme Work plan.
- The innovative approach of CFIT
- High impact sector focusing on circularity
- Tools to support our field SPP projects

How do we support the CFIT Pact?

- Outreach to the members of our SPP networks
 - Webinars in Asia Pacific and Latin America & Caribbean
 - Bilateral meetings with countries interested in joining the CFIT Pact

Thank you!
